Annual Parish Council Minutes of Foston and Scropton Parish Council Meeting Held on Tuesday 9th May 2023

APM090523/01 - Variation of Order of Business (if required)

➤ No

APM090523/02 - Declaration of Members' Interests

➤ None

APM090523/03 - Public Speaking including County, District and Police Representation

We received sad news that District Councillor Gillian Lemmon passed away on Friday 5th May.

Also 2 ex parish councillors have passed away:

David Lindop – a very big driving force in getting the speed indicators in Scropton who arranged the fund raising and contributed to the cost personally.

John Bates – Long service councillor

A minute silence was observed in their memory.

Public:

Verges/wildflowers / no mow May / location of wildflowers / areas not to be cut. Verges are cut approx. every 10 weeks rob.brooksby@southderbyshire.gov.uk to be notified where the wildflowers are located.

HMP Foston Hall:

Planning adding new files/new findings / new supporting evidence which goes back to December 2022

*Additional 6 planning applications?

Reviewed 7 women prisons, 5 have planning applications for expansion of houseblocks for additional 300 prisoners. Unique situation for residents on Woodland Drive, Foston where access is via HMP Foston Hall.

Waiting for notification of the planning meeting to put objections forward.

Evidence is very important and needs to be uploaded to the necessary portal

A good idea is to find a case law expanding rural open prisons applications were turned down.

1. *DMPA/2022/1594 The construction of 2 x 2 storey houseblocks
2. *DMPN/2023/0381 Certificate of lawful development for the erection of two storey modular buildings
3. *DMPN/2023/0472 Certificate of Lawfulness for existing use

Response from planning: there are three applications – the main application and two further applications for certificates of lawful development which relate to the Prison's permitted development rights afforded to it by the Government to manage its estate.
